

Implementing Measures for International Bionic Engineering Award, ISBE

(revised version 2022)

The International Society of Bionic Engineering (ISBE) sets up International Bionic Engineering Award (IBEA) to honour and encourage excellent members who make great achievements in bionic engineering field. The implementing measures for the Award is as followed.

1. Award Source

IBEA is sponsored by the ISBE members voluntarily.

2. Awards

- 1) Outstanding Contribution Award: two persons, RMB 30,000 yuan for each.
- 2) Outstanding Youth Award: two persons aged under 40 years old, RMB 10,000 yuan for each.
- 3) Outstanding Student Award: two persons aged under 30 years old, RMB 5,000 yuan for each.

3. Qualifications

- 1) Outstanding Contribution Award and Outstanding Youth Award:
 - a. The candidates shall get remarkable research achievements in bionic field;
 - b. The candidates shall made great progress in scientific research, community service, technology transfer, etc in bionic field;
 - c. The candidates shall made prominent contribution in science and technology achievement promotion, international communication and collaboration, etc in bionic field.
- 2) Outstanding Student Award:
 - a. The candidates shall be the school students majored in related bionic discipline;
 - b. The candidates shall maintain outstanding scientific and research capability;
 - c. The candidates shall get remarkable research achievements in bionic field.

4. Jury

- 1) The jury consists of three members selecting from the Evaluation Committee of ISBE, among which one is nominated by the sponsor.
- 2) The jury members should be from different countries.
- 3) The final list of jury shall be approved by the Executive Board of Directors.

5. Reward Procedure

- 1) The award information will be released on the official website of ISBE (<http://isbe-online.org/>), and emailed to all society members. The candidates could be nominated by self-recommendation or recommended by another member or a group of colleagues with application form and supporting documents.

It should be noted that the officials of ISBE are ineligible for the award.

- 2) The jury assesses the candidates applying the general scoring method, and the top 2 of each award will be the final winners.
- 3) The final result will be published on the official website of ISBE with the approval of the Executive Board of Directors.

6. Award Presentation

The award ceremony will be held during the ISBE triennial meeting-International Conference of Bionic Engineering (ICBE), and the winners will be presented with the certificate and monetary award. The reward will be paid in RMB.

7. Related Expenses

Related expenses of award assessment and presentation shall be borne by the donation.

8. Award regulatory

The whole reward procedure accepts the supervision and inspection by competent authorities and all members of ISBE.

9. The Executive Board of Directors of ISBE reserves the right of final explanation on these measures.
